

Dear Mead Parents and Staff

The nationwide supply chain problems is impacting Nutrition Services. Because of that we may need to make menu changes week-by-week.

We want to make sure you have accurate information in planning your child's meals and for staff announcing "what's for lunch" in classrooms.

We will not be posting "printable" menus but we have great options for you.

1. Our mobile app, **My School Menus**, is updated automatically when we make menu changes.

2. On our website, mead.healtheliving.net, click on our Online Menus button. Select your school and breakfast or lunch. On the right side is the print menu function. Please print or review one week at a time.

Thank you for your understanding.
